

To Make Potato Salad:

1. After potatoes have cooled, add all dry layers to pot, layering to ensure even distribution

2. Add mayonnaise to desired viscosity.

3. Move to serving dish and sprinkle with paprika

4. Fills my 9x13 Pyrex.

3 # put eggs in pot

5 # cover over 1/2 in w/ hot water

7 # bring to rolling boil; reduce

8 to low + cover; 10 minutes

10 # put eggs in ice bath

12 # peel

To Cook Potatoes:

1. Peel potatoes + slice into 1/2 inch pieces (or slightly larger, but not smaller)

2. Put in saucepan + cover about 1 inch with cold water

3. Cover + bring to boil. Then reduce heat to medium + remove lid

4. Cook 10-13 minutes or until slightly undercooked - but still pokeable

5. Drain + spread in single layer to cool at room temp.
